RAIN POLICY

In the case of games for more than a total of one hour, or in the case of a finished match even if this is shorter than one hour, during one and the same day - or session for days with day- and evening session - tickets are not refunded. The Referee of the competition determines how long the game has been going on. In the event of a rain break, continued play is announced via the loudspeaker system at the Center Court as soon as possible (usually at least 15 minutes before the start of play). In the event of a rain break, the ticket for the day session in the evening is not valid for days with an extra evening session.

The tickets are refunded in full minus the service fee. Requests for a refund are communicated by submitting the form and ticket(s) to the organizer or left in the ticket offices at the arena. Forms for refunding tickets can be found at www.nordeaopen.se or at the ticket offices in the arena if the refund is applicable. Only forms which, together with attached original tickets, have been received by the organizer or the ticket offices within four weeks of the day of the final in the same year will be refunded. Tickets that have been obtained from sponsors for the tournament are not refunded.
